DORI

*A long time history born in 1939
in a little town near Varese.*

*Four generations who believed in innovation
and in development path of something real
and authentic on the Italian land.*

*A long journey that began in a small
factory with a small sewing machine and
then step by step in following years with a
continuous introduction of the most advanced
technologies.*

*An ongoing research of positivity and a
continue attention to people around us and to
their needs.*

*Feeling, emotions, fears pushing to go
beyond and to look beyond, to see what
unlikely you can see.*

*Not all arts can be explained, not all mysteries
can be revealed.*

*The implementation of what you feel in
something real and concrete, in something
true.*

*Dori Premiere is the perfect combination of a
long company tradition and the carefree and
audacity of youthfulness.*
